
SUPPORT ART LABORATORY BERLIN E.V.!

ART LABORATORY BERLIN E.V. was founded in autumn 2006 and since the beginning of 2007 has been involved in the running of the art project space of the same name and is dedicated to the dissemination and support of contemporary art.

By means of exhibitions of new international artists, as well as artist and curator talks, ART LABORATORY BERLIN e.V. has contributed to the debate on emerging art. Besides exhibitions we have presented film screenings and concerts by young artists, as part of our emphasis on interdisciplinary approaches.
